

La Cala Golf Resort

La Cala Golf Resort, officially Spain's largest golf complex is an exclusive residential and recreational retreat of approximately 1,000 acres situated between the 'Sierra de Mijas' National Park and the Mediterranean Sea. Malaga International Airport is just 20 minutes drive, Marbella is also 20 minutes drive in the opposite direction and the beach is only 10 minutes away.

La Cala Golf Resort, since its creation in 1989, has set its goal on being one of low density construction in order to maximize residents' privacy and to protect the resort's rustic environment. Today, La Cala Resort is one of the most successful residential tourist resorts in southern Europe.

The facilities on offer in the La Cala Resort include: three 18 hole, Cabell B Robinson designed, golf courses and Clubhouse and hosts David Leadbetter Golf Academy. Also in the vicinity is a luxurious Five Star Hotel, tennis, squash, gymnasium, swimming pools & a football pitch. There are also nature trails for trekking and horse riding. Being enclosed in Five Star luxury, other services that are on offer are property management services, house cleaning, linen changing, garden, pool & property maintenance & 24 hour security.

The La Cala plots are located within a central oasis around the Five Star Hotel and Clubhouse, offering the new potential resident fantastic views of the golf courses, mountains and the Mediterranean. These plots are sold fully serviced with access to roads, water and electricity, however there is a strict criteria as to what style of home can be built on these undeveloped plots in order to maintain aesthetic harmony. La Cala plots start from just 250,000 Euros for 1,400m² and come with a fantastic 25% build coverage ratio.
