La Quinta Golf & Country Club

La Quinta Golf & Country Club

La Quinta Golf and Country Club is one of the most sought-after addresses on the Costa del Sol - an established residential community boasting some of the best quality properties and services in the area. Covering 1.6 million m², the resort is situated in tranquil countryside, yet conveniently just 10 minutes drive from Puerto Banus and only 5 minutes from the centre of Marbella and with direct access from the A7 motorway.

The development is structured around the focal point of golf with La Quinta Golf boasting three 9 hole courses integrated into the natural surroundings from which one can view the Mediterranean Sea and the mountains that encircle Marbella whilst playing. These three courses have been designed by Manuel Piñero, each with nine holes making it possible to play several different combinations of 18 holes. There is also an acclaimed Golf Academy and driving range. The Country Club and Clubhouse forms the social hub of La Quinta with restaurant, bar, café, pro shop and brand new state-of-the-art Spa. Five star luxury complements the resort in the shape of the Andalucian style Hotel Westin La Quinta.

La Quinta has on offer unique plots which are situated along the full length of the golf course, together with all the necessary accesses and services: roads, illumination, infrastructure for the supply of water, sanitation and electricity. The plots also have licences for immediate construction of new Villas & prices start from just 419,000 Euros.

La Quinta also offers an excellent aftersales service, giving residents complete peace of mind. There is an on-site maintenance team on hand to help in matters such as gardening, pool cleaning, painting and general repairs.
