

La Zagaleta

La Zagaleta Country Club, one of the most exclusive residential areas in Europe, is situated in one of the most beautiful areas of the Costa del Sol, bordering to the North with the Ronda mountains, only a few kilometres from Marbella with breathtaking views over the Mediterranean Sea to Gibraltar and North Africa. La Zagaleta is located in the Benahavis hills, 400m above sea level, on the road that links San Pedro with Ronda. All major towns on the Costa del Sol are within easy reach. A little further field residents find the cultural cities of Sevilla, Cordoba and Granada.

This highly elite gated community of almost 900 hectares is one of the last remaining private natural reserves in the whole of the region and represents the ultimate in luxury & tranquillity. La Zagaleta also protects the residents' privacy and views by enforcing a minimum separation of 10 metres between plots. One of the major attractions at La Zagaleta is the private Bradford-Benz designed 18 hole, par 72 golf course which is one of southern Spain's superior courses, whilst a second 18 hole private course, Los Barrancos, has recently opened after an investment of 20 million Euros. A well kept driving range is available for all members to practice with or without their golf professionals. La Zagaleta offers a various selection of species of animal such as deer, buck, Hispanic goat, partridge and pheasant, all of which enjoy their natural habitat in La Zagaleta and it is not unusual to chance upon them on a trip around the countryside.

Approximately 300 hectares have been set aside for residential development, where only the discerning few buyers will be able to build their homes on plots measuring from 3,000m² to 10,000m² plus. Additionally the residents have their privacy and views protected by La Zagaleta, who enforces a minimum separation of 10 metres between plots. When La Zagaleta becomes your residence, you automatically become a member of the Country Club with exclusive access to all its facilities.
